Notes:

1. There will be a total of six class periods daily.
2. Periods 1* & 6* will be 45 minutes in length. Elective classes are held for the middle school and high school during these class periods. While middle school students have elective classes, high school students have required classes. And, the reverse is true when the high school students have elective classes.
3. Periods 2 through 5 will be 65 minutes in length. Classes during these periods will be predominately focused on challenging academic subjects.
4. Periods 1* & 6* will be semester classes (4 quarters) and Periods 2 through 6 will be Trimester classes.
5. The class schedule will be entered into Skyward over the next few weeks and is subject to change as this is a revision to what is currently in the software.
6. The schedule, seen over three trimesters above, is built on what students ought to be taking based on graduation requirements.
7. The schedule may change based on spring student sign-ups.
8. School will begin at 8:00 A.M. and let out at 2:45 P.M., as it has over the past few years.
9. A 'P' represents teacher Planning or Preparation time.
10. Bright 'Pink' are elementary specialist periods.
